READATHON

Helen Haller

It's time for a readathon! Students from Helen Haller and Greywolf will be reading, reading, reading...and raising money while doing so! Funds will be going towards big end of year fun for students: 6 Books for Summer and Yearbooks!

The Readathon will run from February 12 - March 1.

FUNDRAISING

Fundraising can be done in person and online via FundHub. See the backside of this flyer for fundraising details

READING

Students will all receive a readathon bingo sheet. Mark off each square as they complete it! Once the squares are all marked off, turn it in and get a new one. Students can complete as many bingo sheets as they'd like!

DONORS

Many of the prizes are being generously donated by local businesses and groups! Be sure to follow Sequim Elementary PTA on Facebook and Instagram to join us in thanking them for their support! Thanks to their donations, more funds raised will be able to go directly toward PTA projects.

Readathon is organized & presented by:

WHOLE CLASS PRIZES:

- The class that raises the most money in EACH GRADE earns a glow-in reading party! Students will get to read in a blacklight lit room with small flashlights and have a small dance party with glow sticks!
- The class that marks off the most bingo squares in EACH GRADE wins a cozy reading party in a *massive* cozy reading tent set up in the field.

INDIVIDUAL PRIZES:

- The TOP FOUR individual fundraisers will win prize baskets filled with all kinds of amazing reading based fun: books, bookmarks, reading lights...and some other fun surprises
- For our readers: every time a student turns in a blackout bingo card (every box marked off) they will be entered to win drawings for more fun reading prizes!

Goal: Read EVERY DAY! Need to know where to start? Begin with reading 15-20 minutes.

Need a challenge, try to double that!

Bingo Sheets are due by Friday, March 1

Every box completed counts as a point. Complete as many blackouts (marking off every box) as you can! Each blackout sheet handed is entered in a drawing for an individual prize. The class from each grade with the most points earns a class reading prize. Even if you don't have a blackout, still turn in your sheet so it can add to class points!
