Helen Haller Elementary

From the Principal

Helen Haller Elementary holds our school community and social relationships in high regard. Through building our school community, students are able to grow connections and develop positive relationships with their peers. Being able to witness students ever growing and flourishing bonds and connections with peers is amazing to see. Staff thoroughly enjoys being a part of the prospering school community. One area that has hit an undesirable level is students wanting to have boyfriend and girlfriend relationships. Developmentally this is an area where we need your parental support. As staff cannot stop the relationships from forming, we are asking that students still follow the proper expectations for themselves at school. One behavior that has been noticed but is not an expected behavior is the personal display of affection. Personal display of affection, also known as PDA, such as hand holding and kissing, is not an expected behavior of the students at HHE. Please help support our school community and have a conversation with your student(s) to reinforce the appropriate and expected behaviors at school.

Sincerely,

Rebecca Stanton—Principal
Baili Shaw—School Counselor

4th grade: Merring, Oberly, Tuttle

5th grade: Castell, Forrest, Holt

From the library

The Free Book Shelf in the Helen Haler library is empty! Our students have loved discovering the books we've provided on this shelf. If you have gently used, elementary age appropriate books to donate, please consider dropping them off at the Helen Haler office and letting our office staff know they are for our library's Free Book Shelf.
