Helen Haller Elementary

From the Principal

Dear Helen Haller Parents,
 March 11 – 15 we are celebrating our Education Support Professionals at HHE. They fill a variety of roles in our building. They work to help students with reading and math, they supervise recess, they supervise lunches, they work in special education, they build awesome relationships with students, they work in our health room caring for students, they help with crossing guard duty, they comfort students who need it, and they help shelve books in the library. This is not an exhaustive list but you can see we rely on their expertise and myriad of skills.

Ask your student if they have a favorite Education Support Professional and have them share with you why they are their favorite. It would be awesome if they told that person why they are their favorite.

Thank you for sending your students every day and on time!

Sincerely,

Rebecca Stanton – Principal

From the library

The Free Book Shelf in the Helen Haler library is empty! Our students have loved discovering the books we've provided on this shelf. If you have gently used, elementary age appropriate books to donate, please consider dropping them off at the Helen Haler office and letting our office staff know they are for our library's Free Book Shelf.
