Helen Haller Elementary

From the Principal

Dear Helen Haller Families,

Thank you for a great week of conferences. Teachers appreciated sharing student data and stories with each of you. We had 85% of families attend conferences this year. I hope you had an opportunity to ask questions and connect with your student's teacher(s). Thank you for attending your student's conference and supporting their school experience.

Another way to support your student's school experience is by volunteering with our PTA. We have several opportunities at Helen Haller in November and December. Our teacher librarian, Mrs. Kruckeberg would love some volunteers to help with our annual book fair from November 13 – 17th. We would love to have some more helping hands with our upcoming Turkey Trot on November 22nd. This is a super fun event and is one of our biggest fundraisers that helps support our 6 Books for Summer Program. Many hands make light work and we appreciate your help!

A walk at the Railroad Bridge Park with an umbrella could be some November fun.

Thank you for sending us your stellar students!

Rebecca Stanton – Principal

Inclement weather

As we anticipate the arrival of colder weather, I want to ensure that our school community is well-informed about our plans in the event of inclement weather. Our primary concern is the safety of all our students, and we strive to make decisions promptly despite the unpredictable nature of weather conditions.
